

A vibrant underwater illustration featuring two large grey sharks swimming at the top. Below them, a school of small green and yellow fish swims to the left. In the center, a large, colorful fish with yellow, red, and orange patterns swims towards the right. To the right, a group of long, slender grey fish with purple spots swims horizontally. The bottom of the image shows a sandy ocean floor with various marine plants like green algae and pink flowers, along with black sea urchins and white bubbles. The water is a clear blue.
